

2017 RING OF BONE ZENDO CALENDAR OF EVENTS

- 1) Zazen occurs year-round on Wednesday nights, except during January and July and on the dates of Feb 15, June 14, and Oct 25. In 2017, we're experimenting with an earlier time than in the past: 7 pm – 9 pm. Please take note!
- 2) We've also adjusted the time of Sunday morning Zazen, as indicated below.
- 3) Eight dates have been set aside for Meeting for the Practice of Business (MPB), but as few as six MPBs may actually occur, with the remaining dates utilized for other purposes, at the discretion of the Moderator. The expected use of each date will be announced well in advance.
- 4) View from the Hojo is an informal, semi-annual review of practice and teaching matters, delivered by Nelson Foster.
